2019-20 TEA / UIL Academic Eligibility Calendar

This document is intended to bring clarity to the eligibility calendar for U.I.L participants. Specifically be aware of the following issues:

- Grace periods for academic eligibility are seven (7) calendar days after the evaluation, with the exception of holidays.
- Academic Eligibility is determined from the first six week grading period and each nine-week grading period, not semester grades.
- After the 1st six weeks academic eligibility check, students may only lose academic eligibility at the nine weeks grading report.
- All students are academically eligible during the Thanksgiving, Christmas, and Spring Break holidays.
- Following Thanksgiving, Christmas, and Spring Break holidays, ineligible students return to being ineligible until the next grade check and grace period.
- All students are academically eligible through the summer.
- Total credits from the previous year determine the first six weeks eligibility for 10th-12th students. The 2nd year of high school, they need 5 credits. 3rd year = 10 credits. 4th year = 15 credits. For 7th-9th students, promotion to the next grade means they are eligible the first six weeks.
