- 4.2. The Superintendent represents that any records or information provided in connection with her employment application are true and correct. Any false statements, misrepresentations, omissions of requested information intentionally made, or fraud by the Superintendent in or concerning any required records or in the employment application may be good cause for termination or nonrenewal of employment, as applicable.

The Board may, in its discretion, review and adjust the salary of the Superintendent, during the term of this Contract, but in no event shall the Superintendent be paid less than the annual base salary set forth in this paragraph, except by mutual written agreement of the parties. The Superintendent is entitled to any discretionary raises issued by the Board of Trustees as part of the District compensation plan, as applicable to District administrators. Any adjustments to the Superintendent's Annual Base Salary or other Contract provision made during the Contract Term shall be made by lawful Board action and shall be in the form of a written amendment to this Contract, or a new contract.

To encourage continuity of leadership in the District, the Board wishes to provide additional compensation to the Superintendent upon the achievement of certain longevity goals. Provided the Superintendent is still actively employed on each Milestone Date and has not given notice of her intention to resign or retire, and the Board has not given the Superintendent notice of its intention to nonrenew or terminate the Superintendent's Contract of Employment, RISD will accrue the amount listed below for the Superintendent as a longevity/retention payment. 6.7. Effect of Termination of Employment on Compensation. In the event this Contract is terminated, for any reason (whether voluntary or involuntary), prior to the completion of the Term, the Superintendent shall be paid for the days worked or earned prior to the date of the termination in accordance with the District's normal payroll practices at the rate provided in the Contract computed pro rata up to the date of termination, but shall be entitled to no further compensation or benefits as of the date of termination except as otherwise provided by law or this Contract or as mutually agreed by the Parties.

6.8. Local and State Leave. The Superintendent may take, at times selected by the Superintendent, the same number of days of leave authorized by policies and calendar adopted by the Board for administrative employees on twelve months (226 days) contract, the days to be in a single period or at different times. The leave days taken by the Superintendent will be taken at such times or time that will not substantially interfere with the performance of the Superintendent's duties as set forth in this Contract. Any unused leave days under this section shall be administered in accordance with local policies applicable to all employees. The Superintendent is hereby granted the same number of personal leave days as authorized by the Board for all professional employees.

6.9. Vacation Days. The Superintendent shall be granted 10 additional vacation days per year in recognition of days worked outside the 226-day administrator calendar (i.e. weekends, holidays, etc.). Unused vacation days under this section will accumulate to the subsequent contract and carry forward from year to year, unless the Superintendent requests payment for those days by means of a written request submitted to the Business Office no later than 15 days before the close of each fiscal year in which case those days shall be paid at the current contract year's daily rate. The Daily Rate shall be calculated by adding the amounts in 6.1 and 6.14 (Salary and TRS) and dividing such sum by 226.

6.10. Professional Organizations and Civic Engagement. The Superintendent shall devote the Superintendent's time, attention, and energy to the direction, administration, and supervision of the District. The Board, however, encourages the continued professional growth of the Superintendent through the Superintendent's active attendance and participation in appropriate professional meetings, seminars, conferences, or courses at the local, regional, state, and national level in the capacity as Superintendent of RISD. In its encouragement of the Superintendent to grow professionally, the Board shall permit a reasonable amount of release time for the Superintendent as the Superintendent and the Board deem appropriate, to attend such meetings, seminars, conferences, or courses. As part of Superintendent's professional development, the Superintendent, with prior approval of the Board president, may hire an educational executive coach. The cost of such services shall be borne by the District and must be approved in advance by

the Board president. Expenses for attending professional meetings at the local, state or national level may be reimbursed subject to the availability of funds budgeted, policy limitations and as pre-authorized by the Board. The District shall pay for the Superintendent's membership dues to the Texas Association of School Administrators and other professional organizations selected by the Superintendent, the purpose of which is to benefit the District, subject to the availability of funds budgeted by the District for this amount. The Board encourages the Superintendent to become a member of and participate in professional associations and community and civic affairs, including the chamber of commerce, civic clubs, governmental committees, and educational organizations. The Board concludes that such participation will serve a legitimate purpose related to the educational mission of the District. The District shall reimburse the Superintendent for the cost of membership in all local civic organizations in which the Superintendent participates, subject to advance Board approval.

- 6.11. Travel. The Superintendent will be allowed to submit reimbursement of travel on behalf of the District in accordance with Board Policy as applicable to all other employees of the District. Travel involving legislative outreach, including travel to testify before a legislative committee or subcommittee, is subject to prior Board approval.
- 6.12. Business Expenses. Subject to applicable law, the District shall pay or reimburse the Superintendent for reasonable and necessary reimbursable expenses incurred by the Superintendent in the continuing performance of the Superintendent's duties under this Contract from funds budgeted for that purpose. Such expenses shall include, but are not limited to, District-related travel, lodging, and meals outside of the DFW Metroplex area, membership and participation in approved professional, civic, and service organizations, attendance at professional conferences and trainings, and projects within the District. The Superintendent shall comply with all policies, procedures, and documentation requirements established by the Board, the District's independent auditors, and state and federal laws regarding such business expenses. The Superintendent's expenses shall be subject to review by the District's independent and internal auditors. The Board reserves the right to refuse any reimbursement request that it determines is excessive, does not comply with RISD's policies and guidelines, or that the Board reasonably believes falls outside the scope of the Superintendent's duties.
- 6.13 Supplemental Retirement. Beginning on or before December 31, 2022, and on or before each December 31st thereafter during the Term, including any extensions thereof, the District shall contribute to the Supplemental Retirement Plan an amount equal to 100% of the contribution limit for a 403(b) plan under Section 415(c) of the Internal Revenue Code (the "Code") minus the amount of the maximum employee contribution, as indexed each year, including the age 50 catch-up, if applicable. If the Contract is terminated for any reason prior to December 31st of a year in which the contribution under this section has not been made, the District shall make the contribution on or before the date of termination.

The Supplemental Retirement Plan shall consist of an employer paid 403(b) plan, a 457(b) deferred compensation plan and a 401(a) defined contribution plan. Any payments to the Supplemental Retirement Plan as provided in this Contract shall be made as employer paid non-elective contributions to the plans unless such payments exceed the limits under the Code, as described herein. Contributions to the Supplemental Retirement Plan shall first be made to a Board paid plan established under Section 403(b) of the Code. To the extent that such contribution exceeds the employer paid contribution limit under the Code for a 403(b) plan, then the contribution shall be made to a 457(b) deferred compensation plan. To the extent that the remaining contribution exceeds the contribution limit for a 457(b) deferred compensation plan, the remaining contribution shall be made to a defined contribution plan established under Section 401(a) of the Code. To the extent that the remaining contribution exceeds the contribution limit for the 401(a) plan, then the Superintendent shall have the right to elect to receive the funds as cash or as an elective deferral to a 403(b) or 457(b) plan.

Each plan shall provide that the contributions made to the plan and all earnings thereon shall at all times be fully vested in the Superintendent. Each of these plans shall be established under a written plan document that meets the requirements of the Internal Revenue Code (the "Code") and such documents are hereby incorporated herein by reference. The funds for the plans shall be invested in such investment vehicles as are allowable under the Code for the applicable type of plan and such investment vehicles shall be chosen solely by the Superintendent.

6.14 Texas Teacher Retirement System. For performance of Superintendent duties, the District shall supplement the Superintendent's salary by an amount equal to the Superintendent's portion of the member contribution to the Texas Teacher Retirement System ("TRS") during the Term of this Contract, including any extensions thereof. This supplement shall include both the retirement and TRS-Care parts of the TRS member contribution, as applicable. This additional salary supplement for services rendered shall be paid to the Superintendent in regular monthly payroll installments and shall be reported as "creditable compensation" by the District for purposes of TRS, to the extent permitted by TRS.

7. Annual Performance Goals & Evaluation

7.1. Performance Goals. The Superintendent shall submit to the Board each year, for the Board's consideration and adoption, a preliminary list of goals for the District. The goals approved by the Board shall at all times be reduced to writing ("District Goals") and shall be among the criteria on which the Superintendent's performance is reviewed and evaluated. The District Goals approved by the Board shall be specific, definitive and objectively measurable, to the extent feasible. The Board agrees to work with and support the Superintendent in achieving the District goals. Unless otherwise agreed

between the Board and Superintendent, the Superintendent shall submit the proposed annual performance goals to the Board no later than August 15 each year and the board shall approve such goals no later than September 30 each year.

7.1.1. For the 2022-2023 academic year only, the Superintendent will submit an entry plan which will be used to shape the performance goals to the Board no later than September 15, 2022, and the board shall approve those goals no later than October 20, 2022. Both Parties acknowledge that the goals will be updated once the Board's strategic plan has been adopted.

7.2. Evaluation. The Board shall evaluate and assess the performance of the Superintendent in writing at least once each year by the end of June during the term of this Contract, and at such other times as the Board deems necessary or appropriate. Unless the Superintendent expressly requests otherwise in writing, the Board's evaluation and assessment of the Superintendent's performance shall occur during closed session of a duly called Board meeting and shall be considered confidential to the extent allowed by law. Nothing herein shall prohibit the Board or Superintendent from disclosing the content of the Superintendent's evaluation to their respective legal counsel. The evaluation and assessment of performance shall be in accordance with the Board's policies and state and federal law and shall be related to the duties of the Superintendent as prescribed by law, Board policies, the Superintendent's job description, and as outlined herein, and shall be based on the District's progress towards accomplishing the District Goals. If the Board determines that the Superintendent's performance is unsatisfactory in any respect, it shall describe in writing, in reasonable detail, the basis for such determination. The Board shall provide the Superintendent with a copy of the written evaluation. The Superintendent shall have the right to make a written response to the evaluation. That response shall become a permanent attachment to the evaluation in the Superintendent's personnel file. The Board shall meet with the Superintendent to discuss the evaluation within a reasonable time after it is delivered to the Superintendent. The Board shall devote a portion of, or all of, one executive session annually to a discussion of the working relationship between the Superintendent and the Board. The evaluation shall be confidential to the extent permitted by law. If the Board deems that the evaluation instrument, format, and/or procedure is to be modified by the Board and such modifications would require new or different performance expectations, such modifications must be adopted with input from the Superintendent and the Superintendent shall be provided a reasonable period to demonstrate such expected performance before being evaluated.

7.3. Confidentiality. Unless the Superintendent expressly requests otherwise in writing, the evaluation of the Superintendent shall at all times be conducted in closed session and shall be considered confidential to the extent permitted by law. Nothing herein shall prohibit the Board or the Superintendent from sharing the content of the

Superintendent's evaluation with their respective legal counsel, used in a termination or nonrenewal proceeding or in legal proceedings filed by the Superintendent.

8. Professional Liability

- 8.1. To the extent it may be permitted to do so by applicable law, including but not limited to the Texas Civil Practices & Remedies Code, and as limited by any such applicable law, the District shall indemnify, defend, and hold the Superintendent harmless from any claims, demands, suits, actions, or other legal proceedings against the Superintendent, or judgments or damages incurred by the Superintendent, including court costs and reasonable attorney's fees, in her individual or official capacity for any act or failure to act involving the exercise of judgment and discretion within the normal course and scope of her duties as Superintendent of the District, to the extent and to the limits permitted by law. This paragraph does not apply if the Superintendent is found to have acted with gross negligence or with intent to violate a person's clearly established legal rights, or to have engaged in official misconduct or criminal conduct, or acted in bad faith or with conscious indifference or reckless disregard, nor does it apply to criminal investigations or proceedings. Excluded are any costs, fees, expenses, or damages that would be recoverable or payable under an insurance contract, held either by the District or by the Superintendent. The Board may retain attorneys to represent the Superintendent in any proceeding for which she could seek indemnification under this paragraph, to the extent that damages are recoverable or a defense is provided, under any such contract of insurance. The selection of the Superintendent's attorney shall be with the mutual agreement of Superintendent and the District, if such legal counsel is not also the District's legal counsel, such agreement not to be unreasonably withheld by either party. No individual member of the Board shall be personally liable for indemnifying and defending the Superintendent under this paragraph. The District may, at its sole option, comply with this paragraph by purchasing appropriate insurance coverage for the Superintendent or by including the Superintendent as a covered party under any errors and omissions insurance coverage purchased for protection of the Board and District professional employees, in which case, the Superintendent's right to agree to legal counsel provided for her will depend on the terms of the applicable insurance contract. The District's obligation under this paragraph shall continue after the termination of this Contract for qualifying acts or failures to act occurring during the Contract Term or any extension thereof.
- 8.2. The Board shall not be required to pay any costs, including attorney's fees, related to any legal proceedings in which the Board and the Superintendent are adverse parties.
- 8.3. The Superintendent shall fully cooperate with the District in the defense of any and all demands, claims, suits, actions and legal proceedings brought against the District and/or its employees. The Superintendent's obligation under this paragraph shall continue after the termination of this Contract at no cost to the District, other than reimbursement to

the Superintendent for her documented reasonable and necessary out-of-pocket expenses and lost wages (if any) attributable to the Superintendent taking time off from her then current employment to reasonably assist the District. If the Superintendent is not employed at the time, the District shall compensate the Superintendent at her daily rate of pay, calculated by dividing the Superintendent's last salary under the Contract by 226. Requests for assistance from the Superintendent with respect to such matters shall be made through the Board of Trustees' President, any successor superintendent, and/or legal counsel for the District, and the amount to be reimbursed to the Superintendent shall be mutually agreed upon in advance. To the extent this section exceeds the authority provided and the limitations imposed by Texas Civil Practices & Remedies Code, Chapter 102, it shall be construed and modified accordingly.

9. Termination, Resignation, Renewal/Nonrenewal, Suspension, or Disability

- 9.1. Termination by Mutual Agreement. This Contract may be terminated by the mutual written agreement of the Board and the Superintendent at any time upon such terms and conditions as may be mutually agreeable to the parties.
- 9.2. Resignation. The Superintendent may leave employment of the District at the end of a school year without penalty by filing a written resignation with the Board. The resignation must be addressed to the Board and filed no later than the 45th day before the first day of instruction of the upcoming school year. The Superintendent may resign with the consent of the Board at any other time.
- 9.3. Disability. Subject to the Americans With Disability Act of 1990 and other applicable law, should the Superintendent become unable to perform any or all of the essential functions and duties of her position by reason of illness, accident or other cause, and said disability exists after all of her accrued paid leave has been exhausted, the District may make appropriate deduction from the Superintendent's annual base compensation for each additional day that the Superintendent is unable to perform the duties of her position, based on two hundred and twenty six (226) days of service per year during the term of this Contract. If the Superintendent is determined to be disabled and incapable of resuming all of her material duties and obligations of employment by a physician mutually acceptable to the Board and Superintendent, the District and the Superintendent hereby mutually agree that this Contract will terminate at that time without the necessity of any further action by the Board or the Superintendent, and the Superintendent hereby waives all of her rights to a hearing in consideration for the lump-sum payment of six months' salary and benefits by the District upon termination of this Contract due to disability. If a question arises concerning the capacity or fitness of the Superintendent to return to her duties, the Superintendent shall submit to a medical examination by a physician mutually acceptable to the Board and the Superintendent, the cost of such examination to be paid by the District. The physician shall limit the report

to the issue of whether the Superintendent has a continuing disability that prohibits her from performing any or all of her duties.

9.4. Renewal/Nonrenewal. Renewal or nonrenewal of this Contract shall be in accordance with the Board's policies and applicable law.

9.5. Termination for Good Cause. The Board may dismiss the Superintendent during the Contract Term or any extensions thereof for good cause as determined by the Board. The Board shall give the Superintendent the reasons for a proposed dismissal for good cause in writing and the Superintendent shall be provided all procedural and substantive rights as set forth in the Board's policies and applicable state and federal law. The term "good cause" includes, without limitation:

9.5.2. Incompetence or inefficiency in the performance of required or assigned duties as documented by evaluations, supplemental memoranda, or other written communication or failure to make measurable progress towards the goals stated in the District Improvement Plan or the Superintendent's performance goals; provided, however, the terms and conditions of this paragraph shall not justify good cause unless the Board has provided the Superintendent a reasonable opportunity to remediate any identified incompetency or inefficiency;

9.5.3. Insubordination or failure to comply with lawful written Board directives;

9.5.4. Failure to comply with written Board Policies or District administrative regulations;

9.5.5. Neglect of duties, including, without limitation, conducting personal business during school hours when it results in neglect of duties;

- 9.5.15. Knowing falsification of records or documents related to the District's activities;
- 9.5.16. Conscious misrepresentation of material facts to the Board or other District officials in the conduct of the District's business;
- 9.5.17. Failure to fulfill or maintain requirements for superintendent certification;
- 9.5.18. Any activity of the Superintendent, school-connected or otherwise, that, because of publicity given it or knowledge of it among students, faculty, or community, impairs or diminishes the Superintendent's effectiveness in the District;
- 9.5.19. Falsification or material omission of information required on an employment application or other documents submitted in connection with employment with the District;
- 9.5.20. Failure to take reasonable steps to maintain an effective working relationship with the Board; or

10. Other Terms

10.1. Savings Clause. If any one or more of the provisions contained in this Contract shall, for any reason, be held to be invalid, illegal, or unenforceable, such invalidity, illegality, or unenforceability shall not affect any other provision thereof, and this Contract shall be

construed as if such invalid, illegal, or unenforceable provision had never been contained herein.

10.2. Controlling Law. This Contract shall be governed by the laws of the State of Texas and it shall be performable in Dallas County, Texas. Venue for any dispute concerning the interpretation and/or enforcement of this Contract shall be in Dallas County, Texas.

10.3. Complete Agreement. This Contract embodies the entire understanding and agreement of the parties and supersedes all other agreements for the term covered by this Contract and understandings, both written and oral. Any additions, deletions, or modifications to the terms and conditions of this Contract, including but not limited to changes in the term of the Contract or the base annual salary of the Superintendent, shall only be made by written addendum signed by both parties. Both parties acknowledge and agree that they have had the opportunity to consult with legal counsel of their choosing in the negotiation and execution of this Contract.

10.4. Notices.

10.4.1. The Superintendent agrees to keep a current address on file with RISD's Human Resources Department and the Board President. The Superintendent agrees that the Board may meet any legal obligation it has to give the Superintendent written notice regarding this Contract or the Superintendent's employment by hand delivering the notice to the Superintendent or by sending the notice by certified mail, regular mail, and/or express delivery service to the Superintendent's address of record.

10.4.2. The Superintendent may provide such notices by hand delivery, or by certified mail, regular mail, and / or express delivery service to the Board President and Secretary's addresses of record, as provided by the District.

10.5. Conflicts. In the event of any conflict between the terms, conditions, and provisions of this Contract and the provisions of the Board's policies, or any permissive state or federal law, then, unless otherwise prohibited by law, the terms of this Contract shall take precedence over contrary provisions of the Board's policies or any such permissive law during the term of the Contract; provided, however, the Board expects the Superintendent to comply fully with Board policies and nothing in this paragraph relieves the Superintendent's compliance with those policies.

10.6. Section 409A. The parties intend that this Contract be interpreted in a manner to be exempt from the requirements of Section 409A of the Internal Revenue Code of 1986, as amended (the Code) and where no so exempt, to be in compliance therewith. Notwithstanding anything to the contrary, to the extent required by Section 409A of the Code: (A) the amount of expenses eligible for reimbursement or to

- 10.7. Entire Agreement. All existing agreements and contracts, both verbal and written, between the Parties regarding the employment of the Superintendent for the term covered in this Contract are superseded by this Contract. This Contract constitutes the entire agreement between the Parties.
- 10.8. Paragraph Headings. The headings used at the beginning of each numbered paragraph in this Contract are not intended to have any legal effect; the headings do not limit or expand the meaning of the paragraphs that follow them.
- 10.9. Legal Representation. Both Parties have been represented by legal counsel of their choice, or have had the opportunity to consult with legal counsel, in the negotiation and execution of this Contract.
- 10.10. Nepotism. With the exception of any individuals already employed by the District as of the date of this Contract as provided in state law, the District will not employ, and the Superintendent will not recommend for employment, any individual related to the Superintendent within the third degree of consanguinity (relation by blood) or second degree of affinity.
- 10.11. Waiver. No waiver of any of the provisions of this Contract shall be deemed for any purpose to be a waiver of the right of any party hereto to enforce strict compliance with the provisions hereof in any subsequent instances.
- 10.12. Failure to Enforce or Not Waiver. Any failure or delay on the part of either the District or the Superintendent to exercise any remedy or right under this Contract shall not operate as a waiver. The failure of either party to require performance of any of the terms, covenants, or provisions of this Contract by the other party shall not constitute a waiver of any of the rights under this Contract. No forbearance by either party to exercise any rights or privileges under this Contract shall be construed as a waiver, but all rights and privileges shall continue in effect as if no forbearance had occurred. No covenant or condition of this Contract may be waived except by the written consent of the waiving party. Any such written waiver of any term of this Contract shall be effective only in the specific instance and for the specific purpose given.
- 10.13. Acknowledgements. The Parties further acknowledge that they have carefully read this Contract, that they have consulted with their attorneys prior to executing this Contract, that they have had an opportunity for review of it by their attorneys, that they fully understand its final and binding effect, that the only promises made to them to sign this Contract are those stated above and that they are signing this Contract voluntarily. The Parties also acknowledge that signatures obtained via e-mail, scan, or facsimile are

sufficient to execute this Contract. The Parties agree that an electronic signature is the legally binding equivalent to a handwritten signature, and has the same validity and meaning as a handwritten signature.

10.14. Authority. The Board President and Secretary have been authorized to execute this Contract on behalf of the District by action of a majority of a quorum of the Trustees present at a properly called and posted meeting on August 9, 2022.
