

## RISD High School Core Textbook List

Richardson ISD High School Core Textbook Curriculum Overview/Use of Resources: The RISD curriculum supported by our Teaching and Learning Department and is aligned to the Texas Essential Knowledge and Skills (TEKS) state standards. This district curriculum is taught by our teachers using a variety of resources both printed and online. Each grade/ course/ subject will vary on the reliance and use of the textbook as an instructional resource. We encourage parents to contact their students' teachers if they have questions regarding instructional resources.
