

# Get ready to reserve your child's seat!

Richardson ISD will begin enrolling for the 2024-25 school year on February 27.

## Snapcodes are Coming!

On Feb. 26, parents will receive (via email or coming home with the student) a unique "snapcode" for each currently enrolled child. **Snapcodes are valid only until May 31, 2024.**

## Gather Your Enrollment Documents Now

Enrollment applications are not complete until RISD has received all

required and valid documents. Scan the QR code for the complete list of required documents.

*Note: If you are unable to submit documents online, hard copies may be brought to the school on or after Feb. 27.*

## Secondary Students Also Register for Classes

Enrolling is not the same as registering for classes. Students enrolling in a middle school, junior high, or high school for 2024-25 must complete the enrollment process as well as work with the school counselor to register for classes.

## Need Assistance?

On-site campus support is available starting Feb. 27, 2024, in-person or by phone. RISD Student Services is also available at 469-593-0390 to assist parents with any special enrollment needs. For more information, visit [www.risd.org/enroll](http://www.risd.org/enroll).

Don't miss out! RISD is home to:

**World-class extracurricular activities and programs**

**State and nationally recognized, community-focused schools**

**Innovative experiences to prepare students for life beyond graduation**
