

BOND STEERING COMMITTEE UPDATE

ACCOMPLISHMENTS AS OF NOVEMBER 2, 2022

TEACHING & LEARNING

- **Advanced Learning Services** - instructional resources and materials to support advanced placement courses and curriculum
- **Curriculum and Instruction** - instructional resources and materials to support curriculum implementation in reading/ language arts, math, science, social studies, and bilingual/dual language and esl classrooms.
- **Career and Technical Education** - classroom renovations and equipment to support programming efforts

SPECIAL EDUCATION

- **Q Global evaluation program** - This program is used by all evaluators to efficiently and accurately score evaluations. This purchase replaced some paper protocols we previously purchased for evaluations.
- **Auditory equipment** - includes hearing aids, FM systems, audiometer, Immittance Bridge
- **Supplemental classroom materials and instructional resources** to support special education programs

HEALTH SERVICES

- **Frontline School Health Management** - the first nursing electronic health record documentation purchased for Richardson ISD. Nurses will be able to electronically document clinic visits, medications, and procedures.
- **Upgraded equipment and supplies** including wheelchairs and medical equipment for campus clinics.

STUDENT PERFORMANCE

- **Eduphoria** - The district implemented a new platform for local online assessments (Aware) at the beginning of the 2021-22 school year. Included in this subscription were test items banks to support the TRS curriculum and integrated support for lead4ward reports.
- **Qualtrics** - The district renewed the license for the survey platform used to capture data from teachers, students, and parents at the beginning of the 2021-2022 school year.

TECHNOLOGY

- Staff Laptops
- Secondary Student Chromebooks
- Elementary Student Devices, labs and cafeteria AV
- Instructional software purchases, device and network management softwares
