

The Clay Cooley Network

How does it work and what is it?

The Clay Cooley Network allows employees of partner groups (e.g., school districts, governments, hospitals, etc.) to take advantage of special, no-haggle pricing. **Almost every new vehicle starts priced at the Manufacturer's Invoice.**

Eligible rebates and age-based discounts then reduce this price further. This price is always final, there are **NO** dealer adds, hidden fees, or financing requirements. We appreciate you and want to make your vehicle purchase as easy as possible.

01 - Access the Network

Membership is based on partnerships with employers and organizations.

02 - Find your Vehicle

Almost every new vehicle starts with partner pricing at the Manufacturer's Invoice.

03 - Complete your Purchase

Submit an inquiry within the CC Network and work with a dedicated, non-commissioned representative, or visit the dealership directly and receive your preferred pricing.

Start Exploring

To start your shopping experience, please go to network.claycooley.com and explore our selection.

How to Login

When entering the CC Network site, the website will ask for your **Organization Name** and **Organization Code**, these will be provided to you by your organization. Be sure to use your company email address, because that domain will be necessary to access the Network.

Once you've entered that information, you're free to explore the Clay Cooley Network.

Family Guarantee

All CC Network purchases include our Family Guarantee for free. Every vehicle comes with a **3 Day Money Back** or a **7 Day Vehicle Exchange Guarantee**, and our **free 12 month cosmetic warranty** includes key replacement, windshield repair, roadside assistance, and more! [Click Here](#) for more info.

Locations & Manufacturers

With 18 different locations in the DFW area, we're sure to be somewhere near you! We also have a dozen different manufacturers to choose from when it comes to new vehicles.

"Shop me first, shop me last, either way, come see Clay!"

Please contact network@comeseeclay.com for any questions or concerns.
