

Top 5 Google Classroom Things to Know

1

In order to access information, you will login to the Google Classroom app with your student's RISD Google Login and Password.

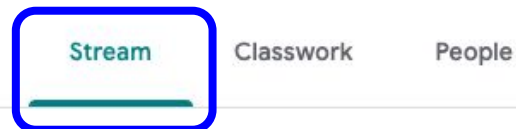

Username: First Initial + Last Initial + Student ID number @g.risd.org

Example: f123456@g.risd.org

Password: If your student does not remember his/her/their password, please contact your campus technology support.

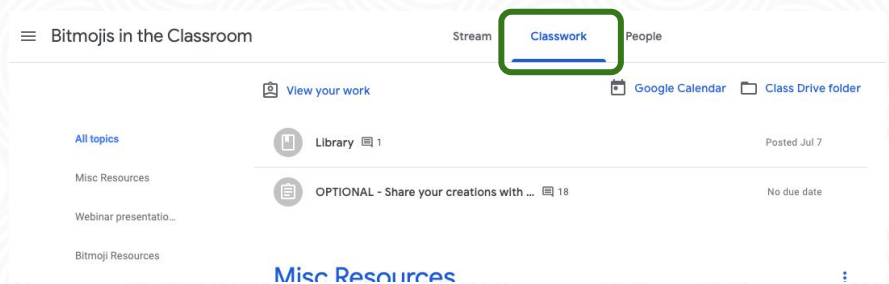

2

Announcements and Notifications will appear in the Stream. You student will also receive notifications on their iPad when something is posted.

3

Assignments, Materials, and Class Discussions are located in the Classwork tab. This is where you will find information about the class like teacher's office hours and Zoom link.

4

Students have a Classroom Folder in Google Drive for their class. Any files they create in Google Classroom will also appear in this folder.

5

PK-3 teachers will post agendas with links to Seesaw activities for students in Google Classroom for parents to access.
